## UNIVERSITY PROGRAMS AT LAKELAND (UPAL) PARENTAL ENDORSEMENT

Applicants Name: \_\_\_\_\_  
                                First                                M.I.                                Last

I/we understand the academically challenging nature of this four year program and give permission for our child to apply for entrance and participation in the UPAL Program. I/we understand that students who enroll are expected to maintain satisfactory or better academic performance in each of their UPAL Program courses. Satisfactory grades are C- or higher. Unsatisfactory grades (D or lower) will result in a UPAL probationary status for the remainder of the school year. An unsatisfactory final grade in the UPAL program may require the student to withdraw from the program.

I/we understand that the application procedure includes review of achievement, test information, and other evaluative information.

I/we understand that teacher recommendations will be requested by the Lakeland Regional High School district from the current school of enrollment.

I/we understand that the selection of applicants suitable for admission to this program is the responsibility of the UPAL Selection Committee and that the decision of this Committee is final.

You may provide any comments or data that give additional insight regarding your child's candidacy.
